Applications for Outward Clearance (or Export Manifests) cannot be received, unless accompanied by Certificate of Inward Clearance, and it is required that such Applications be presented at least Five complete days previously to the date on which PORT CLEARANCE is desired, in order that time may be allowed for the adjustment of Export Cargoes; though it will be issued earlier if practicable. G. J. SIDDONS, *Collector Govt. Customs.*

Calcutta, 20th March, 1830.

SEA CUSTOMS.

NOTICE is hereby given, that if Goods passed through this Office for a specified Vessel, be taken, directly or indirectly, and put on board of any Vessel other than that for which the said Goods have been passed through the forms of this Office, no Drawbacks, nor Certificates for other Presidencies, will be granted. And if such Goods be seized in illegal transit to, or when alongside of, a Vessel other than that for which they have been passed through this Office, they will be liable to eventual confiscation under Section III. Regulation III. of 1830.

If Goods which have been passed for a specified Vessel, cannot, for whatever reason, be taken on board that Vessel, and are fairly brought back to the Custom House for Re-land and subsequent Re-Export to the same Vessel, or to any other, or for regular Transhipment, every facility will, as usual, be afforded for such transactions.

By Order of the Board of Customs,

G. J. SIDDONS,

Collector of Customs.

Calcutta Custom-House, the 28th September, 1832.

CALCUTTA CUSTOMS.

SEA DEPARTMENT.—If Goods are Exported in full of Rowanahs then current; but are Re-landed, and not subsequently Re-exported until after the Rowanahs are time-expired, then such Goods are considered as fresh Exports, are treated as if they had never been protected by Rowanahs, and Duty is taken, if any be leviable on such Goods under the Regulations. But upon request made on the face of Re-land Applications (not otherwise) parties will be furnished with Certificates giving particulars of Rowanahs, in order that they may be fully aware of the dates on which those Rowanahs will become time-expired; and such Certificates will have the force and validity of Rowanahs for any remaining period of the currency of the latter. If Exchange Rowanahs be required, they will be granted on application, with reference to the Provisions of Sections XXVI. and XXVII. of Regulation IX. of 1810. If Rowanahs shall have become time-expired between the date of Original Export, and that of Re-land, then no such Certificates can be granted; and the Goods in question will, if brought for Re-exportation, be treated as fresh Exports.

If Goods are Exported only in part, and not in full, of the quantities specified in Rowanahs, then those Rowanahs remain in the hands of the Parties concerned; and in the event, consequently, of such portions of Goods being Re-landed, no such Certificates as those above described will be issued.

By Order of the Board of Customs, dated 26th February, 1833,

G. J. SIDDONS, *Collector.*

28th February, 1833

NOTIFICATION.—It being of much importance to accelerate the transit of Parcels sent to Out-Stations by Banghy, and the present slow rate of travelling being attributed to the great weight of Parcels delivered at this Office for that conveyance—It has been determined as an Experiment for one month, to limit the maximum weight of Parcels for transmission by Banghy to eight seers each; Parcels however when sent in couples, prepared for despatch as "Full Banghies," will be received if not exceeding twelve seers each.

The Experiment will commence from the 1st Proximo.

GENERAL ORDERS BY THE RIGHT HONORABLE THE GOVERNOR GENERAL IN COUNCIL.
FORT WILLIAM, *23rd January*, 1834.

No. 26 of 1834.—It having been brought to the notice of Government, that one pair of Leather Pantaloons in three years is considered quite sufficient for the Native Cavalry and Native Horse Artillery of this Establishment, His Lordship in Council is pleased to resolve that, in future, that Equipment shall be supplied triennially instead of biennially to those Corps. The next supply will consequently not become due until the 1st April, 1836, when Indents prepared in the usual Form, and accompanied by the prescribed Documents, are to be transmitted to the Secretary to the Clothing Board.

A corresponding reduction from the Monthly Stoppages of the Men of the Light Cavalry and Native Troops of Horse Artillery, on account of the Leather Breeches Fund, is to have effect from the commencement of the present triennial period, viz. from the 1st of April last; from which date, the Monthly Stoppage is not to exceed Five Sonat Annas and Four Pies per Man.

The sums deducted in excess to the foregoing rate since the 1st of April 1833 to the 1st Proximo, will be refunded: Officers in Command or Charge of Troops of Light Cavalry, or of Native Horse Artillery, will accordingly prepare and transmit to the Audit Department Contingent Bills for the difference.

SUPPLEMENT TO

The Calcutta Gazette.

Published by Authority.

WEDNESDAY, FEBRUARY 5, 1834.

JUDICIAL AND REVENUE DEPARTMENT,

THE 28TH JANUARY, 1834.

The following Order, passed in Council on this date, is published for the information and guidance of all the Covenanted Officers of Government in the Judicial and Revenue Departments:

1. The Right Honorable the Governor General in Council is pleased to determine, that no Officer, whatever his standing in relation to a vacant situation, will be appointed to succeed to it, unless he be considered by Government properly qualified to do justice to the trust about to be confided to him; and that, in the event of any deficiency in the requisite qualifications, he, as well as all others in the same predicament, will be passed over in favor of any Junior on the gradation list, competent to discharge the functions of the supposed office with real efficiency.

2. With a view to afford to Government the necessary information in regard to the official character and merits of every Officer employed, His Lordship in Council is pleased to direct, that every Officer, Court or Board to whom Covenated Officers are placed in subordination, shall publicly report half-yearly, upon their Official qualifications and conduct, that the Report of the Magistrate and Collector upon his Deputy or Assistants shall be forwarded to the Commissioner, and by him with his own comments thereon, and a corresponding Statement with respect to all the Magistrates and Collectors, and independant Joint Magistrates and Deputy Collectors under his jurisdiction, to the Nizamut Adawlut or Sudder Board, as the Officer reported on may be subject to the one or the other; and that the superior Controlling Authorities, in like manner, shall review the whole of these Returns, and submit them, with a declaration of their own opinions in confirmation of, or dissent from those expressed by the Commissioners and Magistrates and Collectors respectively, and a Report upon the qualifications and conduct of all the Officers of the former class, for the information of Government. The Courts of Sudder Dewanny and Nizamut Adawlut will submit similar Reports regarding the Civil and Sessions Judges.

3. These Reports should present, in regard to each individual, a Statement of his general qualifications for the public service, with distinct reference to his temper, discretion, patience, and habits of application to public business, his knowledge of the Native languages, and pre-eminently, his disposition and behaviour towards the people, high and low, with whom he is brought into official contact.

4. The Controlling Officers will of course be held responsible for the effects of the misconduct of the Covenanted Subordinate Officers which they may fail to report; and it must be remembered by the Controlling Officers, that if it shall sometimes be their ungrateful duty to allege incapacity or misconduct on the part of an inferior, they thereby perform a most acceptable service to the people, over whom such an incompetent or unworthy functionary is placed; and that they will also enjoy the opportunity of recording the meritorious qualities of those who are really worthy of such commendation, and of thus supplying the Government with data for the just and beneficial allotment of official rewards.

JUDICIAL AND REVENUE DEPARTMENT,

THE 28TH JANUARY, 1834

The following Order, passed in Council on this date, is published for the information and guidance of all the Covenanted Officers of Government in the Judicial and Revenue Departments:

1. The Right Honorable the Governor General in Council is pleased to determine, that no Officer, whatever his standing in relation to a vacant situation, will be appointed to succeed to it, unless he be considered by Government properly qualified to do justice to the trust about to be confided to him; and that, in the event of any deficiency in the requisite qualifications, he, as well as all others in the same predicament, will be passed over in favor of any Junior on the gradation list, competent to discharge the functions of the supposed office with real efficiency.

2. With a view to afford to Government the necessary information in regard to the official character and merits of every Officer employed, His Lordship in Council is pleased to direct, that every Officer, Court or Board to whom Covenated Officers are placed in subordination, shall publicly report half-yearly, upon their Official qualifications and conduct, that the Report of the Magistrate and Collector upon his Deputy or Assistants shall be forwarded to the Commissioner, and by him with his own comments thereon, and a corresponding Statement with respect to all the Magistrates and Collectors, and independant Joint Magistrates and Deputy Collectors under his jurisdiction, to the Nizamut Adawlut or Sudder Board, as the Officer reported on may be subject to the one or the other; and that the superior Controlling Authorities, in like manner, shall review the whole of these Returns, and submit them, with a declaration of their own opinions in confirmation of, or dissent from those expressed by the Commissioners and Magistrates and Collectors respectively, and a Report upon the qualifications and conduct of all the Officers of the former class, for the information of Government. The Courts of Sudder Dewanny and Nizamut Adawlut will submit similar Reports regarding the Civil and Sessions Judges.

3. These Reports should present, in regard to each individual, a Statement of his general qualifications for the public service, with distinct reference to his temper, discretion, patience, and habits of application to public business, his knowledge of the Native languages, and pre-eminently, his disposition and behaviour towards the people, high and low, with whom he is brought into official contact.

4. The Controlling Officers will of course be held responsible for the effects of the misconduct of the Covenanted Subordinate Officers which they may fail to report; and it must be remembered by the Controlling Officers, that if it shall sometimes be their ungrateful duty to allege incapacity or misconduct on the part of an inferior, they thereby perform a most acceptable service to the people, over whom such an incompetent or unworthy functionary is placed; and that they will also enjoy the opportunity of recording the meritorious qualities of those who are really worthy of such commendation, and of thus supplying the Government with data for the just and beneficial allotment of official rewards.

General Orders by the Right Honorable the Governor General in Council.

FORT WILLIAM, 1st *February*, 1831.

No. 41 of 1834.—The Right Honorable the Governor General in Council is pleased to publish the following Warrants and Extracts of War Office Circulars issued by Order of His Majesty, and in conformity to instructions received from the Hon'ble the Court of Directors in Letter No. 54. dated 5th June 1833, to authorize the Audit and Pay Departments to give effect to the same in adjusting the Accounts of His Majesty's Regiments serving in India.

The Scale of Pay allowed to Regimental Pay Masters, Quarter Masters, and Pay Master Serjeants, will be passed, with reference to servitude, from the date of Authority under which granted; and the Allowance to the Orderly Room Clerks, from the period when they entered on the duties of their situation by Regimental Orders.

There being no Warrant Officers in the Company's Army corresponding with Regimental Pay Masters or Quarter Masters, the encrease of Pay now authorized for them will be issued in addition to the Scale of Indian Allowances at present granted.

Warrant regulating the Pay of Regimental and District Pay Masters. Dated 30*th July*, 1830.

William R.

Whereas we have judged it expedient to improve the advantages of Pay Masters of Regiments and of Districts; our will and pleasure is, that the Pay of the said Officers shall be Fifteen Shillings a day respectively on their first appointment to this Commission, and that it may be increased to Twenty Shillings a day after their completion of twenty years service in that rank, provided that our Secretary at War shall be satisfied with the manner in which the Pay Master to be recommended to us for such encrease of Pay has performed his duties.

By His Majesty's Command,

(Signed) H. HARDINGE.

Warrant regulating the Pay of Regimental Quarter Masters. Dated 30*th July*, 1830.

William R.

Whereas we have judged it expedient to revise the Regulations respecting the Pay of Regimental Quarter Masters, and to improve the advantages of that Class of Officers; our will and pleasure therefore is, that all previous Regulations respecting the Pay of this Appointment shall be cancelled, and that in lieu thereof, the Regulations annexed to this our Warrant shall henceforth be established.

By His Majesty's Command,

(Signed) H. HARDINGE.

1.

The Pay of a Quarter Master upon first appointment shall be Six Shillings and Six Pence a day, and shall be encreased, after certain periods of service, *in that rank*, to the following rates; viz.

After 10 years' service, as Quarter Master, 8*s*. 6*d*. a day.

After 15 years' service, as Quarter Master, 10*s*. a day.

Extract from a Circular Letter from the War Office. Dated 9*th July*, 1830.

Orderly Room Clerk.

Para. 17. Having had under my consideration the situation of the Orderly Room Clerk, I am of opinion, that advantage will result to the Service by selecting a Private Soldier of the Regiment as Orderly Room Clerk, allowing him the difference between the Pay of Private and that of Serjeant; the Soldier thus selected, who shall continue faithfully to discharge his duties for a period of three years, will be allowed to rank, and reckon Service, as a Serjeant, including the three years of probation; but if at any time he shall relinquish the situation without the approbation of his Commanding Officer, or is displaced therefrom in consequence of misconduct, he will revert to the Rank and Pay of a Private Soldier.

As a further inducement to good conduct, the Orderly Room Clerk, after having served ten years in that capacity, will receive an additional allowance of six pence a day, making his pecuniary advantages the same as those of a Color Serjeant in the Infantry, and nearly equal to those of a Troop Serjeant Major in the Cavalry

It is not however required that the Non-Commissioned Officers at present employed as Orderly Room Clerks should be displaced, if the Commanding Officer is satisfied with the manner in which the duties are performed, in such case the present Regulation will be applied only when a vacancy shall occur.

Para. 18 Having also adverted to the situation of the Clerk to the Regimental Pay Master, who is borne on the Establishment with the Rank and Pay of Serjeant, but who in the capacity of Pay Master's Clerk cannot be promoted to be a Color Serjeant in the Infantry, or to Troop Serjeant Major in the Cavalry, I have to acquaint you, that the Pay Master's Clerk, having served ten years as such, may be recommended by the Commanding Officer and Pay Master for an allowance of six pence a day, in addition to his Pay as Serjeant, but this additional allowance will, at any subsequent period, be liable to be suspended, or wholly taken away, if the Pay Master's Clerk is guilty of any neglect or misconduct, the circumstances of the case being fully stated to the Secretary at War, by the Commanding Officer and Pay Master, if it should not be deemed expedient to resort to a Court Martial.

I have, &c.

(Signed) H. HARDINGE.

His Lordship in Council further notifies, that His Majesty has been graciously pleased to Order an alteration in the commencement of the Military year, which is henceforward to be considered the 1st April instead of the 1st January, as heretofore, as appears by the following Extract of a Letter addressed by the Secretary at War, to the Right Honorable the President of the Board of Control, and War Office Circular—Commanding Officers of Regiments will cause to be prepared, Bills bearing date 31st March next, in conformity to the Instructions therein laid down for Compensation in lieu of Clothing, from 1st January to 31st March 1834.

Compensation for Clothing will be regulated with reference to His Majesty's Warrants dated 22d July and 30th July 1830, which, in respect to Infantry Corps of the Line, establish the rates for Serjeants at five shillings per month, and two shillings and nine pence for all other ranks; and in the Light Cavalry and Lancers, at three shillings and eleven pence three farthings for Serjeants, and two shillings and eight pence one farthing for all other Ranks.

The rate of Exchange at which the foregoing Payments will be made, is to be regulated with advertence to the rate between London and India established for the current year.

TO THE RIGHT HON'BLE CHARLES GRANT,

President of the Board of Control.

War Office, 9th March, 1833.

SIR,—His Majesty having been pleased to order that the Deliveries of Regimental Clothing should, after the 31st December next, be made on the 1st April instead of the 1st January, the former being fixed as the commencement of the Military year, and that the several Non-commissioned Officers and Soldiers should be allowed Compensation for the three months preceding the said 1st April; I have the honor to transmit to you, for the information of the Commissioners for the Affairs of India, the Copy of a Circular Letter which has been issued by this Department to the Commanding Officers of all Corps, excepting those serving in the Territores of the East India Company, and request that such Instructions as shall be necessary may be given in regard to the latter.

CIRCULAR, No. [illegible]

War Office, 20th February, 1833.

TO THE COMMANDING OFFICER.

SIR,—As the period for which the Regimental Clothing of the current year is required to be worn, will expire on the 31st December 1833, I have the honor to acquaint you, that it is His Majesty's pleasure that the said Clothing be nevertheless continued in wear until the 1st April 1834, when the Military year re-commences, and new Clothing will be issued, and that every Non-commissioned Officer and Soldier, who may be actually effective between that day and 31st December preceding, be allowed Compensation according to his rank, and at the rates prescribed by the Regulations. Compensation is not to be allowed for a less period than a complete month; in cases in which men may become non-effective in the interval; and credit for this allowance should be given in the Statement of the Account of any Soldier who may die or desert during that period. An estimate for the amount required on this account is to be transmitted in the same manner as for the other Services, and the Charge is to be made in the Pay List, ending on 31st March 1834, vouched by a Statement shewing the number of men of each rank to whom Compensation for the entire quarter then terminated, shall have been actually paid, and the names of all men to whom Compensation for a broken period shall have been actually issued, certified by the Commanding Officer, Adjutant, and Quarter Master.

I have, &c.

SEA CUSTOMS.

NOTICE is hereby given, that if Goods passed through this Office for a specified Vessel, be taken, directly or indirectly, and put on board of any Vessel other than that for which the said Goods have been passed through the forms of this Office, no Drawbacks, nor Certificates for other Presidencies, will be granted. And if such Goods be seized in illegal transit to, or when alongside of, a Vessel other than that for which they have been passed through this Office, they will be liable to eventual confiscation under Section III. Regulation III. of 1830.

If Goods which have been passed for a specified Vessel, cannot, for whatever reason, be taken on board that Vessel, and are fairly brought back to the Custom House for Re-land and subsequent Re-Export to the same Vessel, or to any other, or for regular Transhipment, every facility will, as usual, be afforded for such transactions.

By Order of the Board of Customs,

G. J. SIDDONS,
Collector of Customs.

Calcutta Custom-House, the 28*th September*, 1832.

CALCUTTA CUSTOMS.

SEA DEPARTMENT.—If Goods are Exported in full of Rowanahs then current; but are Re-landed, and not subsequently Re-exported until after the Rowanahs are time-expired, then such Goods are considered as fresh Exports, are treated as if they had never been protected by Rowanahs, and Duty is taken, if any be leviable on such Goods under the Regulations. But upon request made on the face of Re-land Applications (not otherwise) parties will be furnished with Certificates giving particulars of Rowanahs, in order that they may be fully aware of the dates on which those Rowanahs will become time-expired; and such Certificates will have the force and validity of Rowanahs for any remaining period of the currency of the latter. If Exchange Rowanahs be required, they will be granted on application, with reference to the Provisions of Sections XXVI. and XXVII. of Regulation IX. of 1810. If Rowanahs shall have become time-expired between the date of Original Export, and that of Re-land, then no such Certificates can be granted; and the Goods in question will, if brought for Re-exportation, be treated as fresh Exports.

If Goods are Exported only in part, and not in full, of the quantities specified in Rowanahs, then those Rowanahs remain in the hands of the Parties concerned; and in the event, consequently, of such portions of Goods being Re-landed, no such Certificates as those above described will be issued.

By Order of the Board of Customs, dated 26th February, 1833,

G. J. SIDDONS, *Collector.*

JUDICIAL AND REVENUE DEPARTMENT,

THE 28TH JANUARY, 1834

The following Order, passed in Council on this date, is published for the information and guidance of all the Covenanted Officers of Government in the Judicial and Revenue Departments:

1. The Right Honorable the Governor General in Council is pleased to determine, that no Officer, whatever his standing in relation to a vacant situation, will be appointed to succeed to it, unless he be considered by Government properly qualified to do justice to the trust about to be confided to him; and that, in the event of any deficiency in the requisite qualifications, he, as well as all others in the same predicament, will be passed over in favor of any Junior on the gradation list, competent to discharge the functions of the supposed office with real efficiency.

2. With a view to afford to Government the necessary information in regard to the official character and merits of every Officer employed, His Lordship in Council is pleased to direct, that every Officer, Court or Board to whom Covenated Officers are placed in subordination, shall publicly report half-yearly, upon their Official qualifications and conduct, that the Report of the Magistrate and Collector upon his Deputy or Assistants shall be forwarded to the Commissioner, and by him with his own comments thereon, and a corresponding Statement with respect to all the Magistrates and Collectors, and independant Joint Magistrates and Deputy Collectors under his jurisdiction, to the Nizamut Adawlut or Sudder Board, as the Officer reported on may be subject to the one or the other; and that the superior Controlling Authorities, in like manner, shall review the whole of these Returns, and submit them, with a declaration of their own opinions in confirmation of, or dissent from those expressed by the Commissioners and Magistrates and Collectors respectively, and a Report upon the qualifications and conduct of all the Officers of the former class, for the information of Government. The Courts of Sudder Dewanny and Nizamut Adawlut will submit similar Reports regarding the Civil and Sessions Judges.

3. These Reports should present, in regard to each individual, a Statement of his general qualifications for the public service, with distinct reference to his temper, discretion, patience, and habits of application to public business, his knowledge of the Native languages, and pre-eminently, his disposition and behaviour towards the people, high and low, with whom he is brought into official contact.

4. The Controlling Officers will of course be held responsible for the effects of the misconduct of the Covenanted Subordinate Officers which they may fail to report; and it must be remembered by the Controlling Officers, that if it shall sometimes be their ungrateful duty to allege incapacity or misconduct on the part of an inferior, they thereby perform a most acceptable service to the people, over whom such an incompetent or unworthy functionary is placed; and that they will also enjoy the opportunity of recording the meritorious qualities of those who are really worthy of such commendation, and of thus supplying the Government with data for the just and beneficial allotment of official rewards.

On the payment of any sum on account of the Salt purchased before the time hereafter limited for completing the payment of all the Purchase Money, Chars and Rowannahs will be issued by the Secretary to the said Board, or his Covenanted Assistants, authorizing the delivery to the Purchaser or Purchasers, or the Bearers of the same, of such a quantity of Salt equal to the amount of such payment on payment of the prescribed Rowannah Fees.

7. It is hereby further stipulated, that each Lot of Salt purchased shall be paid for within Three Calendar Months from the day on which the same shall be sold, and that in case the whole or any part of the Price or Purchase Money of such Salt shall not be paid on or before the time herein last mentioned, the whole of the Deposit made upon such Lot or Lots as shall not be so paid for, shall become forfeited to the United East India Company, and the whole of the Salt which may then remain unpaid for, shall be disposed of on account of the said United East India Company at such time or times, and in such manner as the Board of Customs, Salt and Opium may determine, and in the same manner as if the said Salt had not been previously sold.

8. No Tender of Money or Receipts for Money, signed by the Sub-Treasurer, on account of any Lot or Lots of Salt which may be advertised for Re-sale, under any of these Conditions of Sale, shall be received by the Secretary to the Board of Customs, Salt and Opium, unless such Tender shall be made prior to the day of such Re-sale.

But it is hereby expressly declared, that the above-mentioned days of Sale may be altered, and that such other days and times of Sale may be appointed as the said Board may from time to time order and determine; also that the quantities advertised to be sold at the respective Sales may be increased or diminished at any particular Sale or Sales, provided that the entire quantity put up from March 1834 to February 1835, both months inclusive, does not exceed 45,00,000 of Maunds.

10. The Public are assured, that no more than Forty-five Lacs of Maunds of Salt will be sold within the period above stated, but it will of course be competent to Government to diminish that quantity, should circumstances render a reduction expedient, or to sell it as provided in the three following Conditions.

11. In the event of no bids in excess of the upset price being made for all or any of the Salt put up at any Sale of the Year, that is to say, at any Sale or Sales from March 1834 to February 1835, both months inclusive, such Salt for which there is no bid in excess of the upset price shall, at the discretion of the Board of Customs, Salt and Opium, either be put up to Public Sale in Calcutta, at some future period between the months of March 1834 and February 1835, or be sold by Private Sale in Calcutta, or be sold in the Interior by Private or Public Sale by the Government Officers as hereinafter provided.

12. The whole or any portion of the Salt appropriated under the above Condition to Private Sale, may be sold in quantities of not less than One Hundred Maunds to any Person applying for the same, at the Office of the Secretary to the Board of Customs, Salt and Opium.

13. The price per Hundred Maunds of the Salt to be sold by Private Sale, under the preceding Conditions, shall be determined by the average price per Hundred Maunds for which Salt from the same Ghaut or Golah has been sold at the Sales of the preceding Six Months, from which average price a deduction of Five per Cent., on account of Ready Money payments, (as hereinafter prescribed) may be made at the discretion of the Board of Customs, Salt and Opium, if no Salt has been sold from the said Ghaut or Golah at any Sale of the preceding Six Months, then the Board of Customs, Salt and Opium, shall fix a price per Hundred Maunds for the said Salt appropriated to Private Sale.

14. Notice of the quantity of Salt appropriated to Private Sale and the Conditions on which it is obtainable, shall be sent as soon as possible after the appropriation of the Salt to all the Principal Salt Marts, and to the Collectors and Cutcherries in the vicinity of those Marts.

15. Parties desirous to Purchase any quantity of the reserved Salt, not less than One Hundred Maunds, shall receive Chars and Rowannahs for the same on paying the price (through a Sub-Treasurer's Receipt,) into this Office, or on paying the price in Sicca Rupees into the Treasuries of the Collectors of Patna, Dacca, Moorshedabad, Chittagong, Jessore, Midnapore, Hooghly, Burdwan, Bhaugulpore, Purneah, and such other Treasuries, as may be determined upon by the Board of Customs, Salt and Opium.

16. On the production at the Office of the Board of Customs, Salt and Opium, of the Collector's acknowledgements for the payment, and on the arrival of his advice, (which shall be sent without delay,) that such Receipts have been granted by him, Chars and Rowannahs will be issued in the names of the Parties who have purchased the Salt to themselves or their authorized Vakeels, provided however that if the Salt be already disposed of prior to the intimation of the Collector reaching this Office, the Money paid into his Treasury shall be returned without Interest, and this Condition is to be distinctly explained to the Individual making payment at the time the Money is received.

17. The above quantity of 45,00,000 Maunds of Salt is exclusive of the quantity not exceeding Twelve Thousand Maunds which will be delivered in the course of the said period to the French Government at Chandernagore, for the consumption of the Inhabitants of that Settlement, agreeable to the Provisions of the Convention concluded between Great Britain and France, under date the Seventh March, 1815. It is also to be considered exclusive of any Salt which Government may direct to be sold by retail, under the Provisions of Regulation X. of 1826.

18. All the Salt now advertised for Sale is to be cleared out from the Government Golahs within Four Months from the date of its being purchased; and in failure thereof, the Purchaser will be subject to the payment of a consolidated Golah Rent and Wastage, amounting, in the aggregate, to 3½ per Cent. per Annum, on the Sale Price at the Honorable Company's Sale of each Lot or Lots of Salt upon which the said Golah Rent and Wastage is claimable. It is further notified, with reference to the Provisions of Clause II., Section XXXVI. Regulation X. of 1819, that the Board of Customs, Salt and Opium will, on no account, renew a Rowannah or Rowannahs covering Salt, which Purchasers may have failed to clear out within Twenty-four Months from the day of its Sale; and that the Article will, in this case, be held forfeited to Government, unless proof be exhibited by the Purchaser or Purchasers thereof, to the satisfaction of the said Board, that the delay in removing the Salt from the Public Golahs arose from causes over which he or they had no control; and it is further declared, that no objection as to the quality of Salt, whether the same shall have been affected by storm, inundation, or any other cause whatever shall be received from any Purchaser, unless the same shall be made within Six Calendar Months from the day of the Purchase of the Salt the quality of which may be objected to.

19. No Interest shall be claimable by or be paid to the Board on Money due on account of Salt purchased, under these Conditions of Sale, nor shall any Interest be claimable by or be paid to Purchasers in the event of Purchase Money being refunded to them by order of Government or the Board.

20. The Superintendent of the Sale shall be empowered to reject the Bid of any Individual, unless he shall, if required, tender, at the time of Bidding, a Deposit in Cash or Government Securities (at par for the principal amount only) of Ten per Cent. on the price of each Lot he may propose to purchase.

21. For the facility of the Purchaser or Purchasers the said Board will grant Chars and Rowannahs authorizing the delivery of the above Salt to the Purchaser or Purchasers, or to the Bearers of such Chars and Rowannahs; and it is specially and distinctly declared, that the Assignee or Assignees of any Char and Rowannah shall be entitled to receive such quantity of Salt as may be specified in such Char and Rowannah, on application and delivery of the Char to the Salt Agent, to whom the same may be addressed, and that all Chars and Rowannahs will be recognized by the Board of Customs, Salt and Opium, as negotiable documents, in as much as if they were Government Promissory Notes, and similarly transferable.

22. It is to be understood by the Purchasers of Salt under this Advertisement, that, in the event of any dispute or difference arising, touching or concerning any Purchase of Salt, under the foregoing Conditions of Sale, or touching any Covenant, Clause or Proviso as herein before contained, the same shall and may be tried, construed, determined, and decided, in and by the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the Jurisdiction of the said Supreme Court shall be waived.

By Order of the Board of Customs, Salt and Opium, the 25th of February, 1834,

W. R. YOUNG, *Offg. Secretary.*

FORT WILLIAM, *27th February*, 1834.

No. 67 of 1834.—The Hon'ble the Vice President in Council is pleased to direct, that the following Extract (Paras. 11 to 14) from a Letter from the Hon'ble the Court of Directors, in the Military Department, No. 92, dated the 9th October 1833, be published in General Orders:

“ *Letter dated 22d January, 1833, (No. 18.)*

1 to 9. State that from the nature of the Orders received from time to time, some doubt exists as to the scale of Pensions which the Court are disposed to recognize as claimable from Lord Clive's Fund by Chaplains retiring from ill health before the full period of the Service, and by the Widows of Chaplains, and request to be furnished with fresh and explicit instructions on the subject.

Para. 11. Chaplains who have not served 7 years in India, are admissible to the benefit of Lord Clive's Fund in the rank of Captain. After completing a Service of 7 years, their retiring allowances are provided for, independently of Lord Clive's Fund, by the Regulations conveyed to you in our Ecclesiastical Letter of 22d November 1826.

12. As by the Regulations announced in that Letter, Chaplains may retire on the full pay of Lieutenant Colonel after 18 years' Service, (including 3 years for a furlo'), we have considered the Widows of those who die in the Service after completing that period to be eligible to the benefits of Lord Clive's Fund, in the rank of Lieutenant Colonel.

13. The Widows of Chaplains who have completed 7 years' actual Service in India, are admissible in the rank of Major; and those of Chaplains of less Service, in the rank of Captain, being the ranks the pay of which is receivable by those classes of Chaplains respectively when on furlo'.

CLERK OF THE PEACE OFFICE,

The 15th of February, 1834.

WHEREAS at a General and Quarter Sessions of the Peace of the Town of Calcutta, and Factory of Fort William in Bengal, and the limits thereof, holden at the Town Hall of and in the said Town of Calcutta, on Saturday, the Fifteenth Day of February, Instant, the Court having determined to take the present Assessment on Houses, Buildings, and Grounds in Calcutta, as the basis of the rate for the Quarter, commencing from the First of February last, subject to such alterations as shall be made in the present Sessions. *It was ordered*, that Notice should be given accordingly by the Assessors to the Owners and Occupiers of Premises, the Assessment whereof shall be proposed to be altered, and requiring all such Owners and Occupiers having objections to make to the said alterations to present the same as aftermentioned within the time to be specified in such Notice. *And also*, that Public Notice should be given, requiring all persons having objections to make to the rate at present Assessed upon their Premises to specify the same, and the grounds of their objections, in a Petition to be addressed to His Majesty's Justices of the Peace in Sessions, and to file the same with the Clerk of the Peace, on or before the Fifteenth day of March next, after which period no such objections will be received or heard. *And* the Clerk of the Peace, upon receipt of every such Petition and payment of the established fee thereon, shall grant a Certificate of such Petition having been filed with him.

Notice whereof is hereby given accordingly, and that for the purpose of hearing and determining upon such objections as may be made and left in manner aforesaid, and for determining upon such other matters connected with the Assessment as may be brought before His Majesty's Justices of the Peace in Sessions assembled, the same are adjourned to Monday, the Tenth day of March next, at the Office of the said Justices of the Peace in the said Town of Calcutta, and will be continued every Saturday or oftener, until such appeals and other business shall be disposed of.

And Whereas great inconvenience has been experienced from Owners and Occupiers of Houses, Buildings, and Grounds claiming remission of Assessment on account of vacancy, neglecting to give Notice of the time when such Premises became vacant,—*Notice* is therefore hereby given, that when any Houses, Buildings, or Grounds upon which an Assessment shall have been made, shall become vacant, and the Owner and Occupier of the same respectively shall be desirous of obtaining a discharge or remission of such Assessment, during the period of such vacancy, he shall, within the space of seven days next after such vacancy shall happen, give Notice thereof in writing, either in the English, Persian, or Bengallee Language, to the Collector of Assessment, specifying the date when such Premises became vacant, which Notice will be duly entered and numbered in a Book to be kept by the Collector for that purpose, and an acknowledgment of the receipt of such Notice, signed by the Collector, or other person in his office receiving such Notice, will be granted to the person leaving the same; and no Notice purporting that any Premises became vacant on a day anterior to the seventh day next preceding the day of leaving the said Notice at the Office of the Collector, shall be available for obtaining a remission of the Assessment previously due for the same, but shall be held applicable to seven days preceding the day of such Notice having been left as aforesaid, and for no further period.

And further, that when such Premises shall again become occupied, Notice thereof shall in like manner be given to and acknowledged by the Collector. *And Notice* is hereby further given, that no claim to remission of Assessment upon the plea of vacancy, will be allowed, unless such Notice of vacancy and re-occupation shall have been given and acknowledged in the manner aforesaid.

7. But it is hereby expressly declared, that the above-mentioned days of Sale may be altered, and that such other days and times of Sale may be appointed as the said Board may from time to time order and determine; also that the quantities advertised to be sold at the respective Sales may be increased or diminished at any particular Sale or Sales, provided that the entire quantity put up from March 1834 to February 1835, both months inclusive, does not exceed 45,00,000 of Maunds.

10. The Public are assured, that no more than Forty-five Lacs of Maunds of Salt will be sold within the period above stated, but it will of course be competent to Government to diminish that quantity, should circumstances render a reduction expedient, or to sell it as provided in the three following Conditions.

11. In the event of no bids in excess of the upset price being made for all or any of the Salt put up at any Sale of the Year, that is to say, at any Sale or Sales from March 1834 to February 1835, both months inclusive, such Salt for which there is no bid in excess of the upset price shall, at the discretion of the Board of Customs, Salt and Opium, either be put up to Public Sale in Calcutta, at some future period between the months of March 1834 and February 1835, or be sold by Private Sale in Calcutta, or be sold in the Interior by Private or Public Sale by the Government Officers as hereinafter provided.

12. The whole or any portion of the Salt appropriated under the above Condition to Private Sale, may be sold in quantities of not less than One Hundred Maunds to any Person applying for the same, at the Office of the Secretary to the Board of Customs, Salt and Opium.

13. The price per Hundred Maunds of the Salt to be sold by Private Sale, under the preceding Conditions, shall be determined by the average price per Hundred Maunds for which Salt from the same Ghaut or Golah has been sold at the Sales of the preceding Six Months, from which average price a deduction of Five per Cent., on account of Ready Money payments, (as hereinafter prescribed,) may be made at the discretion of the Board of Customs, Salt and Opium, if no Salt has been sold from the said Ghaut or Golah at any Sale of the preceding Six Months, then the Board of Customs, Salt and Opium, shall fix a price per Hundred Maunds for the said Salt appropriated to Private Sale.

14. Notice of the quantity of Salt appropriated to Private Sale and the Conditions on which it is obtainable, shall be sent as soon as possible after the appropriation of the Salt to all the Principal Salt Marts, and to the Collectors and Cutcherries in the vicinity of those Marts.

15. Parties desirous to Purchase any quantity of the reserved Salt, not less than One Hundred Maunds, shall receive Chars and Rowannahs for the same on paying the price (through a Sub-Treasurer's Receipt,) into this Office, or on paying the price in Sicca Rupees into the Treasuries of the Collectors of Patna, Dacca, Moorshedabad, Chittagong, Jessore, Midnapore, Hooghly, Burdwan, Bhaugulpore, Purneah, and such other Treasuries, as may be determined upon by the Board of Customs, Salt and Opium.

16. On the production at the Office of the Board of Customs, Salt and Opium, of the Collector's acknowledgements for the payment, and on the arrival of his advice, (which shall be sent without delay,) that such Receipts have been granted by him, Chars and Rowannahs will be issued in the names of the Parties who have purchased the Salt to themselves or their authorized Vakeels, provided however that if the Salt be already disposed of prior to the intimation of the Collector reaching this Office, the Money paid into his Treasury shall be returned without Interest, and this Condition is to be distinctly explained to the Individual making payment at the time the Money is received.

17. The above quantity of 45,00,000 Maunds of Salt is exclusive of the quantity not exceeding Twelve Thousand Maunds which will be delivered in the course of the said period to the French Government at Chandernagore, for the consumption of the Inhabitants of that Settlement, agreeable to the Provisions of the Convention concluded between Great Britain and France, under date the Seventh March, 1815. It is also to be considered exclusive of any Salt which Government may direct to be sold by retail, under the Provisions of Regulation X. of 1826.

18. All the Salt now advertised for Sale is to be cleared out from the Government Golahs within Four Months from the date of its being purchased; and in failure thereof, the Purchaser will be subject to the payment of a consolidated Golah Rent and Wastage, amounting, in the aggregate, to 3½ per Cent. per Annum, on the Sale Price at the Honorable Company's Sale of each Lot or Lots of Salt upon which the said Golah Rent and Wastage is claimable. It is further notified, with reference to the Provisions of Clause II., Section XXXVI. Regulation X. of 1819, that the Board of Customs, Salt and Opium will, on no account, renew a Rowannah or Rowannahs covering Salt, which Purchasers may have failed to clear out within Twenty-four Months from the day of its Sale; and that the Article will, in this case, be held forfeited to Government, unless proof be exhibited by the Purchaser or Purchasers thereof, to the satisfaction of the said Board, that the delay in removing the Salt from the Public Golahs arose from causes over which he or they had no control; and it is further declared, that no objection as to the quality of Salt, whether the same shall have been affected by storm, inundation, or any other cause whatever shall be received from any Purchaser, unless the same shall be made within Six Calendar Months from the day of the Purchase of the Salt the quality of which may be objected to.

19. No Interest shall be claimable by or be paid to the Board on Money due on account of Salt purchased, under these Conditions of Sale, nor shall any Interest be claimable by or be paid to Purchasers in the event of Purchase Money being refunded to them by order of Government or the Board.

20. The Superintendent of the Sale shall be empowered to reject the Bid of any Individual, unless he shall, if required, tender, at the time of Bidding, a Deposit in Cash or Government Securities (at par for the principal amount only) of Ten per Cent. on the price of each Lot he may propose to purchase.

21. For the facility of the Purchaser or Purchasers the said Board will grant Chars and Rowannahs authorizing the delivery of the above Salt to the Purchaser or Purchasers, or to the Bearers of such Chars and Rowannahs; and it is specially and distinctly declared, that the Assignee or Assignees of any Char and Rowannah shall be entitled to receive such quantity of Salt as may be specified in such Char and Rowannah, on application and delivery of the Char to the Salt Agent, to whom the same may be addressed, and that all Chars and Rowannahs will be recognized by the Board of Customs, Salt and Opium, as negotiable documents, in as much as if they were Government Promissory Notes, and similarly transferable.

22. It is to be understood by the Purchasers of Salt under this Advertisement, that, in the event of any dispute or difference arising, touching or concerning any Purchase of Salt, under the foregoing Conditions of Sale, or touching any Covenant, Clause or Proviso as herein before contained, the same shall and may be tried, construed, determined, and decided, in and by the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the Jurisdiction of the said Supreme Court shall be waived.

By Order of the Board of Customs, Salt and Opium the 25th of February, 1834,

W. R. YOUNG, *Offg. Secretary.*

Purneah, and such other Treasuries, as may be determined upon by the Board of Customs, Salt and Opium.

16. On the production at the Office of the Board of Customs, Salt and Opium, of the Collector's acknowledgements for the payment, and on the arrival of his advice, (which shall be sent without delay,) that such Receipts have been granted by him, Chars and Rowannahs will be issued in the names of the Parties who have purchased the Salt to themselves or their authorized Vakeels, provided however that if the Salt be already disposed of prior to the intimation of the Collector reaching this Office, the Money paid into his Treasury shall be returned without Interest, and this Condition is to be distinctly explained to the Individual making payment at the time the Money is received.

17. The above quantity of 45,00,000 Maunds of Salt is exclusive of the quantity not exceeding Twelve Thousand Maunds which will be delivered in the course of the said period to the French Government at Chandernagore, for the consumption of the Inhabitants of that Settlement, agreeable to the Provisions of the Convention concluded between Great Britain and France, under date the Seventh March, 1815. It is also to be considered exclusive of any Salt which Government may direct to be sold by retail, under the Provisions of Regulation X. of 1826.

18. All the Salt now advertised for Sale is to be cleared out from the Government Golahs within Four Months from the date of its being purchased; and in failure thereof, the Purchaser will be subject to the payment of a consolidated Golah Rent and Wastage, amounting, in the aggregate, to 3½ per Cent. per Annum, on the Sale Price at the Honorable Company's Sale of each Lot or Lots of Salt upon which the said Golah Rent and Wastage is claimable. It is further notified, with reference to the Provisions of Clause II., Section XXXVI. Regulation X. of 1819, that the Board of Customs, Salt and Opium will, on no account, renew a Rowannah or Rowannahs covering Salt, which Purchasers may have failed to clear out within Twenty-four Months from the day of its Sale; and that the Article will, in this case, be held forfeited to Government, unless proof be exhibited by the Purchaser or Purchasers thereof, to the satisfaction of the said Board, that the delay in removing the Salt from the Public Golahs arose from causes over which he or they had no control; and it is further declared, that no objection as to the quality of Salt, whether the same shall have been affected by storm, inundation, or any other cause whatever shall be received from any Purchaser, unless the same shall be made within Six Calendar Months from the day of the Purchase of the Salt the quality of which may be objected to.

19. No Interest shall be claimable by or be paid to the Board on Money due on account of Salt purchased, under these Conditions of Sale, nor shall any Interest be claimable by or be paid to Purchasers in the event of Purchase Money being refunded to them by order of Government or the Board.

20. The Superintendent of the Sale shall be empowered to reject the Bid of any Individual, unless he shall, if required, tender, at the time of Bidding, a Deposit in Cash or Government Securities (at par for the principal amount only) of Ten per Cent. on the price of each Lot he may propose to purchase.

21. For the facility of the Purchaser or Purchasers the said Board will grant Chars and Rowannahs authorizing the delivery of the above Salt to the Purchaser or Purchasers, or to the Bearers of such Chars and Rowannahs; and it is specially and distinctly declared, that the Assignee or Assignees of any Char and Rowannah shall be entitled to receive such quantity of Salt as may be specified in such Char and Rowannah, on application and delivery of the Char to the Salt Agent, to whom the same may be addressed, and that all Chars and Rowannahs will be recognized by the Board of Customs, Salt and Opium, as negotiable documents, in as much as if they were Government Promissory Notes, and similarly transferable.

22. It is to be understood by the Purchasers of Salt under this Advertisement, that, in the event of any dispute or difference arising, touching or concerning any Purchase of Salt, under the foregoing Conditions of Sale, or touching any Covenant, Clause or Proviso as herein before contained, the same shall and may be tried, construed, determined, and decided, in and by the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the Jurisdiction of the said Supreme Court shall be waived.

By Order of the Board of Customs, Salt and Opium, the 25th of February, 1834,

W. R. YOUNG, *Offg. Secretary.*

At a Meeting of Civil Servants, Subscribers to the Annuity Fund Institution, held pursuant to notice at the Town Hall, on Friday, the 7th March, 1834.

PRESENT—

Messrs. James Pattle, G. Saunders, N. J. Halhed, The Honorable J. E. Elliot, R. Tulloh, H. T. Prinsep, R. Saunders, H. M. Parker, J. F. M. Reid, G. A. Bushby, J. A. Dorin, R. D. Mangles, J. Colvin, G. F. Maclintock, J. W. Alexander, Secretary.

Mr. James Pattle was called to the Chair.

Read a Letter from Mr. Officiating Secretary Bushby, dated 30th December last, with Enclosures.

On the motion of Mr. H. M. Parker, the Proceedings of the Special General Meetings held on the 26th August, 1833, and 28th October last, were laid on the table.

Mr. H. T. Prinsep then proposed the following Resolutions:—

That it appears to this Meeting that the value of each Annuity will be increased, under the condition of paying it for the broken period of the year of decease, by a sum equal to the present value of a payment of £500 (half a Year's Annuity) to be made at the end of the period assumed, in the Table annexed to the printed rules, for the duration of the Annuitant's life.

That upon this calculation the total value to be added to the valuations of the Table for the Annuities granted under the rule proposed will be the sums entered in the annexed Statement, and the proportion of Fine to be contributed on retirement will consequently be the half of each, as stated in the adjoining column of the same Statement.

That in the event of the adoption of the rule suggested, by which the Annuities will be made payable to the date of the Annuitant's decease, it will be necessary to transfer to the appropriated Fund of the Institution a sum in each instance equal to the value of a future payment of £500, or Sa. Rs. 5000, computed for the age of the Annuitant according to the above scale.

That in like manner if the Annuities of £1,000 be paid quarterly instead of as at present at the close of the year, the difference of value to the Fund will be nine months interest on the first quarterly payment of £250, plus 6 months interest on the second, plus 3 months interest on the third, making, on the assumption of 6 per cent. for the rate of interest, £22 10s. or 225 Sa. Rs. per annum. That the value of an additional Annuity of this amount, according to the Tables of the Institution, will be as entered in the subjoined Table.

That if this advantage likewise be conceded to the Service by the Hon'ble Court of Directors, as may confidently be anticipated, there will similarly need to be transferred to the appropriated Funds of the Institution an additional sum computed for the life of each Annuitant at the rates of the subjoined Table.

That it appears to this Meeting to be very desirable that retiring Servants should be enabled to take Annuities payable quarterly and continued to the date of decease; and if, contrary to expectation, the representation of the Civil Servants soliciting these amongst other advantages, without any additional payment, be not acceded to by the Hon'ble Court of Directors, the Members of the Service will still consider it an advantage, if they be permitted henceforward to take Annuities on the terms offered, namely, on paying the required proportion of the additional values to be transferred to the appropriated Fund in order to cover the charges incurred.

But that the occasion should be taken to solicit the attention of the Honorable Court to the inutility of calling for any additional contribution, either by increase of Fine, or in any other form, when there is in the present condition and resources of the Institution at this Presidency a Fund amply sufficient to provide for both objects without trenching on its stability or means.

That according to the Accounts of the Fund, made up to the 30th April last, the surplus in hand on that date in excess of the balance reckoned upon in the prospective calculations of the Fund, was Sa. Rs. 27,12,280. The interest of which sum alone is more than sufficient to provide for both objects.

That it will require to be considered, in case the rules proposed be adopted, whether or no to extend the benefit of the payment of the Annuity to the date of decease, and the further advantage of payments quarterly to existing Annuitants, or to make either or both rules prospective only, and give the benefit of them exclusively to future Annuitants.

That upon the existing Annuities, thirty-four in number, the total sum to be added to the appropriated balance of the Fund, in order to cover a conversion of them into Pensions payable to the date of decease, will be Sa. Rs. 71,830.

That the further sum to be transferred, in order to convert the same number of Annuities into Pensions payable by the quarter, will be Rs. 68,514.

That it be submitted to the Hon'ble Court to provide for these further appropriations accordingly as they may determine in respect to the admission or otherwise of the Annuitants to the benefit of the rules, and whether gratuitously or on contributing the proportionate value of the advantages given.

That the Committee of Management of the Institution be requested to prepare Rules, framed on the principles above explained, in order that the same may be submitted for the adoption of the Service at large, and eventually forwarded to the Hon'ble Court of Directors with a suitable representation.

The above Resolutions having been read and submitted from the Chair, Mr. Mangles proposed the following amendment to be substituted for them:

That, since the Hon'ble Court of Directors could not have been aware at the date of their Dispatch to the Government of Bombay, dated the 10th June last, of the prayer of the Memorial submitted to them under date the 25th September last, or of the tenor of the Propositions laid before them on the 28th August last, this Meeting, anticipating a favorable result to these applications does not consider the Service to be in a position to discuss the question of a continuance of the Annuities to the date of death as proposed for their consideration in the present Dispatch of the Honorable Court.

The Amendment, being seconded by Mr. Colvin, was put from the Chair, when the votes being equal in number for and against it, the Amendment was not carried.

The original Resolutions being then put to the vote, were carried by a majority, consisting of nine Members present at the meeting.

The votes by Proxy, addressed to the Chairman of the meeting, 7 in number, being opened, were in favor of the question: none were in favor of the proposition to postpone the consideration of it.

The thanks of the Meeting were then voted to the Chairman for his able and impartial conduct in the Chair.

Civil Service Anny. Fund Office, 12th March, 1834.

Rules prepared by the Committee of Management, in conformity with the above Proceedings.

RULE 33.—In modification of the 28th Rule of the Institution, it is hereby provided that from and after the 30th of April next ensuing, Annuities will be granted to retiring Members of the Service, entitled to and claiming the same payable to the date of decease, on their entering into a written engagement by binding themselves to pay, if so required by the Honorable the Court of Directors, a sum equal to half the value of the benefit derived under this condition. The computation of the said value will be made according to the annexed Table, unless otherwise ordered by the Honorable Court of Directors, to whose correction the calculations are subject.

For every Annuity made payable to the date of decease under the above Rule, a sum equal to the discount value of the additional payment stipulated as entered in the Table annexed, (or in any corrected Table that may be substituted for the same, if the Court of Directors shall direct such substitution,) shall be transferred in the accounts of the Institution to the head of appropriated Assets, in order to cover the additional charge to the Fund arising from such payment.

N. B.—This Rule, if a similar be adopted at the other Presidencies, may be at once carried into effect, the calculations, &c. being subject to the correction of the Court of Directors. Vide letter to Bombay Government, 10th June 1833, towards the end.

Rule 34.—In further modification of the 28th Rule above referred to, it is hereby provided that, from and after the 30th April 1835, Annuities will, at the option of retiring Servants, be given, payable either as at present at the close of the year, or quarterly, after each three Months of the year. Provided however, that for every Annuity made payable quarterly, an additional sum equivalent to this advantage, computed according to the Table annexed, shall be transferred to the head of appropriated Funds in the accounts of the Institution, in order to cover the additional charge to it from this alteration in the mode of payment.

Note.—This Rule will require to be passed and submitted for the approval and confirmation of the Court of Directors, before it can be carried into effect. If the Hon'ble Court require retiring Servants to pay for the benefit conferred by it, they will add a clause to that effect.

J. W. ALEXANDER,

The Public are hereby informed, that in providing the Investment of the Behar and Benares Opium for the Current Year, the same precautions have been taken as those which have been observed during the Thirty-four preceding Years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of Leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake.—The Instructions issued to the Agents relative to the Provision of the said Opium, together with an account of the Weight of the Drug when packed at Behar and Benares, and a Statement of the average Weight of Six Chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium.

6. Four Chests of Behar and Benares Opium which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

7. Application has been made by the French Authorities for the 300 Chests of Opium, deliverable to them under the 6th Article of a Convention between Great Britain and France, dated 7th March 1815, in proportions of 140, 130, and 30 Chests respectively out of the Quantities declared for Sale on the 20th December 1833, and 20th March and 21st April next; but in the event of the whole or any portion of the Opium thus claimed by the French Government not being cleared out within the limited period, such Quantity of Opium, or any part thereof as may remain uncleared, will be brought to Sale at the Sale next ensuing the date of payment, or at a Sale to be held expressly for the purpose.

8. Considerable loss and inconvenience having resulted from persons not of known credit being suffered to bid at the Opium Sales, the Public are hereby apprized that the Superintendent of the Sale has been empowered to reject the bid of any individual of the character abovementioned, unless he shall tender at the time a Deposit either in Cash or in Company's Securities as aforesaid, equal to Ten per Cent. on the amount of the Lot or Lots which he may offer to purchase, and the last mentioned sum shall afterwards be completed to Thirty per Cent. at or before the time hereinbefore-mentioned for making such Deposit as aforesaid; and it is hereby stipulated that such sum of Ten per Cent. shall be forfeited to the United East India Company, provided the same shall not be completed to Thirty per Cent. within Ten days next after the day of such Sale, and that the Opium for which such Deposit of Ten per Cent. may have been made, shall be sold under the directions of the Board of Customs, Salt and Opium, for and on behalf of the said United East India Company.

By Order of the Board of Customs, Salt and Opium, the 1st April, 1834,

"We direct that Fees upon Commissions granted by His Majesty to the Company's Officers, shall be hereafter collected by, and credited to, Government, in the same manner as the Fees on Company's Commissions are now collected and credited, and that the Salary to be hereafter granted to the Military Secretary of the Commander in Chief, be Two Thousand Two Hundred and Fifty Rupees, (Rupees 2,250) per month, in lieu of Fees and all other Emoluments.

Court for the Relief of Insolvent Debtors at Calcutta.

In the matter of ALEXANDER COLVIN AND OTHERS, trading in Co-partnership at Calcutta, as Merchants and Agents, under the Style and Firm of COLVIN AND COMPANY, Insolvents.

At a Court holden on Saturday, the Seventeenth day of May, One Thousand Eight Hundred and Thirty four, before the Hon'ble Sir John Peter Grant, Knight, Justice of the Supreme Court, It appeared that the said Insolvents, by petition presented to this Court on the Twenty-second of March last past, had prayed, under the Sixty-third Section of the Statute (9, Geo. IV. Cap. 73) entitled "An Act to provide for the relief of Insolvents in the East Indies," to be for ever discharged from all liability whatsoever, for and in respect of all debts established in this Court; and to their said Petition was annexed Lists, purporting to be of Creditors of the said Insolvents consenting to the discharge prayed for, to the amount of more than one half of the Debts so established.

And it having been referred to Patrick O'Hanlon, Esquire, the Examiner of this Court, to *Enquire* and *Report* whether the several debts set forth in the Schedules filed by the said Insolvents on the Thirty-first of August and Twenty-second of March last past, have been established to the satisfaction of the Assignee of the Estate and Effects of the said Insolvents, and whether the said lists of consents contain consents of Creditors to the amount of more than one half in number and value of the debts so established :—and whether such of the said consents as have been given under Powers of Attorney, have been given under Powers of Attorney duly executed, and containing sufficient powers to warrant such consents.

And that the said Examiner had *Reported* that the Assignee in this matter had certified to him that the debts of the said Insolvents, as set forth in their said Schedules, had been established to his satisfaction.

And that the said lists of consents contained more than one-half in number and value of the debts of the said Insolvents, as so established; and that the Powers of Attorney under which such consents as were given under Powers of Attorney were duly executed, and contained sufficient powers to warrant such consents.

The Court confirmed the said Report of the Examiner, and declared that the said Insolvents had acted fairly and honestly towards their Creditors.

It was Ordered,

"That the Assignee of the Estate and Effects of the said "Insolvents, so soon as such progress shall have been made "in the affairs of the Estate of the said Insolvents as that "no further proceedings shall be necessary to be had in this "Court, in the matter of the Petition of the said Insolvents, "praying for the benefit of the said Statute for the relief of "Insolvent Debtors, which Petition is before this Court, do "report the same to the said Examiner, who shall forthwith lay the same report before this Court."

"And it was further Ordered, that all further Orders "touching the matter contained in the prayer of the said "petition of the said Insolvents, filed on the Twenty-second "day of March last past, be reserved until after the said "Report shall be made and laid before this Court."

Notice whereof is hereby given.

H. T. PRINSEP, *Secy. to the Govt.*

At the Court at Brighton, the 9th day of December 1833,

Present—

The King's Most Excellent Majesty in Council.

Whereas by a certain Act of Parliament, made and passed in the third and fourth year of His Majesty's reign, intituled "An Act to regulate the trade to China and India," it is amongst other things, enacted, that it shall and may be lawful for His Majesty, by any such Order or Orders as to His Majesty in Council shall appear expedient and salutary, to give to the Superintendents in the said Act mentioned, or any one of them, powers and authorities over and in respect of the trade and commerce of His Majesty's subjects within any part of the dominions of the Emperor of China; and to make and issue directions and regulations touching the said trade and commerce, and for the Government of His Majesty's subjects within the said dominions.

And it is thereby further enacted, that it shall and may be lawful for His Majesty, by and with the advice of His Privy Council, by any Order or Orders to be issued from time to time, to impose and to empower such Persons as His Majesty in Council shall think fit, to collect and levy from or on account of any Ship or Vessel belonging to any of the subjects of His Majesty entering any Port or Place where the said Superintendents, or any of them, shall be stationed, such duty on tonnage and goods as shall from time to time be specified in such Order or Orders, not exceeding in respect of tonnage, the sum of five shillings for every ton, and not exceeding in respect of goods, the sum of ten shillings for every one hundred pounds of the value of the same:—

And it is thereby enacted, that the fund arising from the collection of such duties, shall be appropriated in such manner as His Majesty in Council shall direct towards defraying the expence of the establishments, by the said Act authorised, within the said dominion; *now, therefore*, in pursuance of the said Act, and in execution of the powers thereby in His Majesty in Council in that behalf vested, it is hereby ordered by His Majesty, by and with the advice of His Privy Council, that it shall be lawful for the Superintendents, appointed by virtue of the said Act of Parliament, for the time being, and for any person or persons duly authorised by them respectively, to recover and receive from all Masters or other Chief Officers or Commanders, of all Ships and Vessels belonging to any of His Majesty's subjects which may enter the port of Canton, or may be trading at that port, the sum or sums of money following, that is to say,—in respect to tonnage the sum of two shillings for every ton as per register of such Ships and Vessels, and so in proportion for any fractional part of a ton; and in respect of goods imported and exported, except bullion, at and after the rate of seven shillings for every one hundred pounds of the value of the same:—

And it is further ordered, that the value of the goods composing the inward cargoes of such Ships or Vessels shall be fixed by the current market prices of such goods at Canton aforesaid, exclusive of the import duty, and that the value of the goods composing the outward cargoes of such Ships or Vessels shall be estimated by the current market prices at Canton aforesaid, of the articles composing the same at the period of shipment, exclusive of the export duties:—

And it is further ordered, that if any difference of opinion should arise as to the market prices aforesaid, the same shall be determined and fixed by two indifferent British Merchants or subjects residing at the place, one to be chosen and appointed by the said Superintendents, or by the person or persons authorised by them respectively, and the other by the Master of the Vessel, or by the consignee or shipper of the cargo, which two persons previously to their entering into the consideration of the subject referred to them, shall appoint a third person, being also a British Merchant or subject, residing at the place, to be the umpire in the event of their disagreeing upon the point referred to them; and in case the two persons so chosen shall not agree and award the same within seven days after such appointment, then such third person, so previously chosen and appointed, shall decide and determine the said current market price, within the space of three days after the expiration of the seven days, unless it shall be otherwise mutually agreed upon between the said Superintendents, or person or persons authorised by them respectively, and the consignee or shipper of the cargo, and such sum shall be paid in either case as shall be agreeable to this order:—

And it is further ordered, that all Masters, Commanders, or other Chief Officers of all British Ships and Vessels trading to or from the port of Canton aforesaid, and unloading or delivering the Ship or Vessel, or any of the cargo there, shall within forty-eight hours after the arrival of such Ship or Vessel, deliver to the said Superintendents, or to the person or persons authorised by them for that purpose respectively, a true manifest in writing, upon oath, specifying the particulars of the whole cargo of such Ship or Vessel, so to be unloaded or delivered, or of such part thereof as shall be unloaded or delivered there, and to whom consigned; and likewise twenty-four hours before the said Masters, Commanders, or other Chief Officers, require the outward clearances or passports for their said Ships or Vessels, they shall deliver to the said Superintendents, or to the person or persons authorised by them for that purpose respectively, a true manifest in writing, upon oath, specifying the particulars of the whole cargo of such Ship or Vessel laden there, or of such part thereof as shall have been laden or received on board such Ship or Vessel in the said port of Canton, which oaths the said Superintendents, or person or persons authorised by them respectively, are and is hereby empowered and required to administer gratis upon request:—

And it is further ordered, that all bills of lading of such Ships or Vessels shall specify to pay the said monies accordingly under the denomination of "Contribution as by China Trade Act, and the Order in Council thereupon issued;" and the persons paying the same shall be re-imbursed by the persons to whom the said goods shall be consigned, or who shall receive the same, or by their respective freighters; and in case the Master or Commander of such Ship or Vessel shall neglect to specify the payment of the said monies in the bill or bills of lading, as aforesaid, he shall be answerable for the same:—

And it is further ordered, that for the better securing and collecting the payment of the said monies herein directed to be levied for the purposes aforesaid, the said Superintendents, or the person or persons authorised by them, shall, and they are hereby respectively authorised and required, to detain the clearances outward and all other papers of all such British Ships or Vessels as aforesaid, and not to give or deliver any dispatch or passport for any such Ship or Vessel until payment be made as required:—

And it is hereby further ordered, that no such British Ship shall be admitted to entry at any port in any part of His Majesty's dominions unless the Master shall produce to the proper Officer of the Customs, or other proper Officer, the said clearances so to be given on departure from the port of Canton, or from any other port at which such duties as aforesaid ought to have been paid:—

And it is further ordered, that all monies to be raised or received by the authority of the said Act, and of this present Order, shall be appropriated towards defraying the expences of the said Superintendents and of their establishment, and of the Officers subordinate to them at Canton:—

And the Right Hon'ble the Lords Commissioners of His Majesty's Treasury, and the Right Honourable Viscount Palmerston, one of His Majesty's Principal Secretaries of State, and the Commissioners for the Affairs of India, are to give the necessary directions herein as may to them respectively appertain.
